

Be part of one of the fastest growing membership bases in the Eastern Football League

Since its formation in 2011, the Park Orchards Football & Netball Club has grown to become one of the fastest growing clubs in the Eastern Suburbs with Senior, Reserves & Under 19 football programs, 3 netball teams and for the first time in 2019 a Senior Women's Football team.

We are coming off a successful 2019 year with:-

- The Sharks senior men playing finals in 1st Division for the first time in the club's short history and finishing 3rd in Dennis Armfield's first year as senior playing coach.
- Winning both the Reserves Premiership (clubs 2nd) and Under 19's Premiership (5th in a row and 7th for the club in 9 years)
- Runners Up for our inaugural Women's senior football team and a fantastic addition to the club with their enthusiasm and "All In" approach.
- Our 3 netball teams playing in the Friday night EFL competition with one team playing off in finals.

In 2020 we are entering our 3rd year of 1st Division football, our 1st year of The Mighty Sharks 3 year Strategic plan and celebrating the senior club's 10th Anniversary.

The offseason has been full of activity with the players in readiness for another successful year.

We have plans for a higher level of community engagement and of course on field success for all of our teams.

We firmly believe belonging to a sporting club creates a strong and cohesive community, and we are committed to providing Park Orchards with the facilities and club structure needed.

Your membership demonstrates support of our club, support of our sponsors and support of our local community.
